## **DETAILED ACTION**

### ***Drawings***

Applicant's corrected/replacement drawing sheets filed November 16, 2004 have been approved.

### ***Allowable Subject Matter***

Claims 23-48 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record fails to show a seat-recliner assembly or a vehicle seat including a drive assembly; a driven assembly; a transmission assembly operably connecting the drive and driven assemblies; and an inertia increasing coupling disposed between the drive assembly and the transmission assembly and including a first member and a second member, the first and second members associated for a driving relationship and a non-driving relationship, the non-driving relationship increasing inertia in the drive assembly prior to driving the transmission assembly, in combination with other specifically claimed features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
